Sir

Subject - Proposal of the Sagar Town Municipality - Appointment of a Peisasty on a pay of Rs 15-1-20 P M for attending to Octroi work

In forwarding herewith in original correspondnece received from the President Sagar Town Municipality ending with his letter No C 173/41-42 dated 2nd March 1943 on the subject noted above, I have the honour to state that at present all dutiable articles which are imported into the Municipality are checked at the Municipal Toll gates

It is stated that inspite of the watch kept over the dutiable article cases of smuggling are on the increase With a view to keep a regular watch over the vehicles that come into the town especially during night the question of entertaining a peisasty for the purpose was considered by the Municipal Council at its meeting held on 8-5-42 when a resolution was passed to the effect that a peisasty might be appointed on a pay of Rs 15-1-20 per mensem and that due provisions be made for the purpose in the draft Budget of the Municipality

The Municipal President states that the appointment of a peisasty appears to be necessary in the interest of better collections under Octroi and Toll revenues in view of the fact that the existing staff cannot cope with the work of detecting smuggling of dutiable articles, in addition to their routine work

The income under Octroi is on the increase year after year Necessary provision has been made to meet the expenditure in question under the head A II (1) (a) Octroi establishemtn in the ensuing year's 1943-44 draft Budget of the Municipality

3

The Municipal President requested that sanction of Government might be obtained to the above proposal of the Municipal Council

In these circumstances I request that sanction of Government may kindly be obtained to the appointment of a Peon on Rs. 15-1-20 per mensem by the Sanquelim Town Municipal Council with effect from the year 1943-44 the expenditure thereon being met from the source pointed out in para 4 supra

I have the honour to be
Sir
Your most obedient servant
